SAT GOAL SHEET

What score would you LIKE to get on your SAT Math section?
On your SAT Verbal section? Write those numbers here:

<u>Verbal</u>	<u>Math</u>	

Next, think about how many you'll have to get right to attain this score.

´—			
To get a	you need the following percent	so, if you did 20 Questions (roughly two Reading	
	correct in each Verbal or Math section:	or Writing passages, all of Math Section 3, or half of	
		Math Section 4), you could miss approximately:	
800	100%	0 questions	
700	90%	2 questions	
600	75%	5 questions	
500	50%	10 questions	
400	35%	13 questions	

Now, set your goal per section and record your practice attempts here.
